**The Slush Machine is Open! Morning coffee and local weekend newspapers available. Visit our recently stocked store, and check out the new Sunfox t-shirts, embroidered golf shirts and sweatshirts and hats!**

Wireless internet is available throughout the campground through Checkbox Wireless. One free hour for each device is provided each day, and each site receives 1 free ticket for one device for the duration of your stay. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week, \$10 per month or \$25 for the season by purchasing access code tickets in the office. Please note that the materials used in construction of RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. Reception may vary based on your computer's wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi is intended to allow campers to check their email and browse the web. It is not able to provide for streaming video, downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications. If you are having trouble loading a page (sometimes due to additional ads etc), try clicking the "stop/reload" button.

**Parents please note**--You are responsible for the behavior of your children. Please make your children aware of our rules and curfews, and help us enforce them. All our campers appreciate your cooperation

**Seasonal Sites:** There are still a couple of sites available for 2014 seasonal reservations, as well as for our fall specials. Check with the office for a list of sites.

Firewood for \$4.75 per bundle (or 5 bundles for \$20). Free delivery 5 bundles or more! Ice \$1.50

Lisbon features a Farmer's Market on Thursdays from 3:30PM to 6PM at the Meadows Rec Complex, less than 1 mile north (left) on RT 169

*A reminder that although a fishing license is needed if venturing out of the campground, you don't need one for our stocked pond...catch & release please!*

**\*\*Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far right), and no "bulky waste" please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74 (as well as in the lodge).**

**The Nowakowski Family is pleased to welcome you to the new Sunfox Campground. We invite you to join us on Facebook for updates and fun photos, and hope you return soon! We also welcome reviews of your stay on TripAdvisor and Google.**

**Don't forget to take a moment and read the campground rules on the back of the map, noting such items as quiet hours and bike rules (helmets for those under 16 and no bike riding after dark please), as well as speed limits within the campground and through the neighborhood.**

**Join us for a spaghetti & meatball (maybe a couple of sausages thrown in as well) dinner on Friday at 5:30PM (just before Bingo), as it is written in the Declaration of Independence that the citizens shall not need to cook on the 4<sup>th</sup> of July. Please sign up by noon on Friday, with a cost of just \$8/adult and \$5/kid...we supply all but the drinks.**
