The Slush Machine is Open! Visit our store, and check out the Sunfox t-shirts, embroidered golf shirts and sweatshirts and hats!

A reminder that our rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior.

Parents please note--You are responsible for the behavior of your children. Please make your children aware of our rules (such as helmets for bike riders under age 16, no cutting through campsites) and curfews, and help us enforce them. All our campers appreciate your cooperation

Although a fishing license is needed if venturing out of the campground, you don't need one for our stocked pond...catch & release please! Trout (over 100 stocked this year), bass, bullheads & more.

****Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far right), and no “bulky waste” please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

The Nowakowski Family is pleased to welcome you to Sunfox Campground. We invite you to join us on Facebook for updates and fun photos, and hope you return soon! We also welcome reviews of your stay on TripAdvisor and Google. We appreciate the nice Facebook comments and reviews, but a couple more Google reviews would be terrific!

Don't forget to take a moment and read the campground rules on the back of the map, noting such items as quiet hours and bike rules (helmets for those under 16 and no bike riding after dark please), as well as speed limits within the campground and through the neighborhood.

WiFi: Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous “Hot Spot” antennas located throughout the campground, but reception may vary based on your computer's wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not able to provide for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications.

Our 48-channel satellite TV system is activated for the season. See our website for a channel list, or pick one up in the office, and be sure to select “cable” input and perform a channel scan.

Be sure to check out our new trails and paths! A map is available on our website. Feel free to add to our “Fairy Path” along Blissville Brook with items made from nature (or perhaps painted rocks), and please don't disturb what others have built. Campers are also welcome to borrow a ball to play on our new 4-square courts or in the GaGa Ball pit.

We appreciate everyone's cooperation and effort in helping to keep themselves and their fellow campers safe. The latest guidance from CDC indicates that masks, social distancing and hand-washing work very well, as the transmission is down and is almost exclusively person to person, particularly indoors. The risk of transmission through other surface contact and objects appears to be minimal, and is reduced even more by frequent hand washing. Please be sure to wear your mask when social distancing becomes difficult, or when interacting with staff & campers. We are also able to resume some sports activities, such as kickball and dodgeball, but a few events, such as Tug of War, Greased Pole and Karaoke, are still on hold.

Have a great stay!
