Mother's Day Weekend Activity Schedule—May 7, 8, & 9, 2021

Office, Store and Laundry Hours: 9am to 8pm Fri & Sat and 9am to 3pm Sun

Fox Den Snack Bar Hours: Fri 5pm-8pm, Sat 9am-12pm and 5pm-8pm, Sun Brunch 10am-11am

Swimming Pool & Adult Hot Tub: Fri 12pm-8pm; Sat 10am-8pm; Sun 10am-3pm

Please note that with overnight lows in the 40's, our goal for the heated pool is 65 degrees

Jumping Pillow open 9am until dark

Paddleboat, kayak, Corcl or Pedal Cart rentals \$5 for 2hrs

Propane \$18 for 20 lbs or \$24 for 30 lbs

Firewood \$4.75 or 5 bundles for \$20 (ice is \$1.75/bag)

Order a golf cart load of split firewood for \$50 (approx 1/6 of a cord) or a 1/2 cord for \$100, delivery within 24 hrs

Pump-out service available for \$20 on Wed & Sun (sign up by 10am please). *Please note that the state of CT has determined that the portable sewage disposal devices ("blue boys") are not permitted for use in CT*

FRIDAY

5PM	Foul Shot Contest & Grand Opening of our new Basketball/Pickleball Courts!!		
6PM	Dodgeball	All Ages	Field
8PM	BINGO! \$1 per card (Zoom ID 995 5939 3077)	All Ages	Event Tent/Zoom

Plenty of room under the tent, but if using Zoom, players can either play in person or Zoom on a device at own site, perhaps by a campfire. Zoom meeting ID is shown above. Brown Cards are \$1 each, while Green cards are \$5 and all cards must be rented from the store, before 7pm, with your Zoom meeting password issued when buying cards...and cards returned to the store window on Saturday after 9am. All Zoom winnings can be claimed on Saturday at the store

Firewood for \$4.75 per bundle (or 5 bundles for \$20). Free delivery 5 bundles or more! Ice \$1.75

Parents please note--You are responsible for the behavior of your children. Please make your children aware of our rules (such as helmets for bike or hoverboard/Segway riders under age 16, no riding after dark, no cutting through campsites) and curfews, and help us enforce them. All our campers appreciate your cooperation.

Our 48-channel satellite TV system was recently updated to digital HD, so you will need to run a channel scan on your TV. If your TV is old (and analog only), you will need a digital converter. See our website for a channel list, or pick one up in the office, and be sure to select "cable" input and perform a channel scan (some new smart TVs require even smarter operators). We apologize that a few channels are being updated to digital, and may be unavailable for a week or so.

A reminder that our rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior.

Although a fishing license is needed if venturing out of the campground, you don't need one for our stocked pond...catch & release please! Over 100 new trout were stocked this year, with bass, bullheads (catfish) & more.

****Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far right), and no "bulky waste" please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

The Nowakowski Family is pleased to welcome you to Sunfox Campground. We invite you to join us on Facebook for updates and fun photos, and hope you return soon! We also welcome reviews of your stay on TripAdvisor and Google. We appreciate the nice Facebook comments and reviews, but a couple more Google reviews would be terrific!

Don't forget to take a moment and read the campground rules on the back of the map, noting such items as quiet hours and bike rules (helmets for those under 16 for bikes/scooters/segways/hoverboards and no riding after dark or on basketball court please), as well as speed limits within the campground and through the neighborhood.

WiFi: Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office, or purchasing on-line via Paypal at the "sunfox wifi" login page. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous "Hot Spot" antennas located throughout the campground, but reception may vary based on your computer's wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not intended for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications, and may be slowed during busy times if everyone is "streaming".

Be sure to check out our new Disc Golf Course and RC Racetrack. Our hiking trails and paths lead to Disc Golf (we have some Innova Discs in our store for \$10), while RC access is across the bridge behind the restroom near the pool. A trail map is available on our website. Feel free to add to our "Fairy Path" along Blissville Brook with items made from nature (or perhaps painted rocks), and please don't disturb what others have built.

We appreciate everyone's cooperation and effort in helping to keep themselves and their fellow campers safe. The latest guidance from CDC indicates that vaccines, masks, social distancing and hand-washing work very well, as the transmission is down and is almost exclusively person to person, particularly indoors. The risk of transmission through other surface contact and objects appears to be minimal, and is reduced even more by frequent hand washing. Please be sure to wear your mask when social distancing becomes difficult (such as on our wagon ride), if entering indoor areas or when interacting with staff & other campers.

Special events: This weekend is Mother's Day, with the Snack Bar opening for a Mother's Day Brunch, and the pool and hot tub opening as well, and we will officially open our new basketball court/pickleball court (although still some fence & finish work needed). Have a great stay! Next weekend features hypnotist Steve Wronker
