Parents please note--You are responsible for the behavior of your children. Please make your children aware of our rules (such as helmets for bike riders under age 16, no cutting through campsites) and curfews, and help us enforce them. All our campers appreciate your cooperation. Respect speed limit in Park and in the neighborhood. All our campers appreciate your cooperation. **For those who are aware of the recent CT change in legislation regarding use of cannabis, as with state campgrounds and state parks, the use remains prohibited at Sunfox.**

A reminder that our rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior.

Our 48-channel satellite TV system was recently updated to digital HD, so you will need to run a channel scan on your TV. If your TV is old (and analog only), you will need a digital converter. See our website for a channel list, or pick one up in the office, and be sure to select “cable” input and perform a channel scan (some new smart TVs require even smarter operators—make sure your antenna booster or amplifier is “off”).

Although a fishing license is needed if venturing out of the campground, you don't need one for our stocked pond...catch & release please! Over 100 new trout were stocked this year, with bass, bullheads (catfish) & more.

****Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far right), and no “bulky waste” please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

WiFi: Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office, or purchasing on-line via Paypal at the “sunfox wifi” login page. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous “Hot Spot” antennas located throughout the campground, but reception may vary based on your computer's wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not intended for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications, and may be slowed during busy times if everyone is “streaming”.

Be sure to check out our new Disc Golf Course and RC Racetrack and Basketball/Pickleball Court! Our hiking trails and paths lead to Disc Golf (we have some Innova Discs in our store for \$10), while RC access is across the bridge behind the restroom near the pool. The large, cleared area near the RC Track is the future site of our soccer/football field, 60 yards by 30 yards, which is expected to be ready for 2022. Please stay off the fresh dirt, as we are preparing to seed. A trail map is available on our website. Feel free to add to our “Fairy Path” along Blissville Brook with items made from nature (or perhaps painted rocks), and please don't disturb what others built.

Local orchards and corn mazes are open. Options include Holmberg Orchard in Ledyard (near Mohegan Sun) and the Preston Farms Corn Maze, as well as the Haunted Manor (just 5 minutes from Sunfox, and voted one of the top haunted houses in CT). We appreciate everyone's cooperation and effort in helping to keep themselves and their fellow campers safe. As our younger campers and staff are not all able to be vaccinated, we will continue to require masks IN THE STORE, but not at the walk-up window or outside.

***Please note that the office/store will close at 4:45pm Saturday for the parade, trick or treating, wagon rides etc. Please limit driving during 5pm-8pm (especially 5-6:30), and be extra cautious entering/exiting campground during those times.**

Have a great stay!

In addition to all prizes listed above, honorable mention “Slush Puppy” awards will be presented as well.

A heartfelt thanks to all those who decorate their sites, making everyone’s stay even more memorable, and especially to the crew responsible for the construction & decoration of the Haunted Wagon Rides (Joe, Rick, Gary, Bob, Emily and many others). Thank you.

Our weekend camping rates cover a family of 2 adults and up to 4 kids. Anyone beyond that, or those not listed on your registration form, are reminded that the visitor fee of \$8/adult and \$5/child applies. With all sites full, please note that visitor and extra vehicle parking is just across the bridge past the jumping pillow, as roadways must remain clear, either along the stream between inflatables or near the volleyball court/excavator.

Fried Dough Special at the Snack Bar...\$8 a choice of many specialty toppings!

Fright fans may want to check out the Dark Manor Haunted House, located just 2 miles from Sunfox (left on 169, left on Kendall, straight through stop sign and left at bottom of hill). Voted scariest in CT, it does cost about \$20, and is not suggested for little kids. Open late night, with afternoon hours on Saturday.

Have a great stay!
