**The Slush Machine is Open! Visit our store, and check out the Sunfox t-shirts, sweatshirts and hats**

Firewood for \$4.75 per bundle (or 5 bundles for \$20). Free delivery 5 bundles or more! Ice \$1.75

*A reminder that our rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior.*

Our 48-channel satellite TV system was recently updated to digital HD, so you will need to run a channel scan on your TV. If your TV is old (and analog only), you will need a digital converter. See our website for a channel list, or pick one up in the office, and be sure to select "cable" input and perform a channel scan (some new smart TVs require even smarter operators—make sure your antenna booster or amplifier is "off").

*Although a fishing license is needed if venturing out of the campground, you don't need one for our stocked pond...catch & release please! Over 100 new trout recently stocked this year, with bass, bullheads (catfish) & more.*

**\*\*Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far right), and no "bulky waste" please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

The Nowakowski Family is pleased to welcome you to Sunfox Campground. We invite you to join us on Facebook for updates and fun photos, and hope you return soon.

**Parents please note--**You are responsible for the behavior of your children. Please make your children aware of our rules (such as helmets for bike or hoverboard/Segway riders under age 16, no riding after dark or on bball court, no cutting through campsites) and curfews, and help us enforce them. Respect speed limit in Park and in the neighborhood. All our campers appreciate your cooperation.

**WiFi:** Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office, or purchasing on-line via Paypal at the "sunfox wifi" login page. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous "Hot Spot" antennas located throughout the campground, but reception may vary based on your computer's wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not intended for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications, and may be slowed during busy times if everyone is "streaming".

***Be sure to check out our new Disc Golf Course and RC Racetrack and Basketball/Pickleball Court! Our hiking trails and paths lead to Disc Golf (we have some Innova Discs in our store for \$10), while RC access is across the bridge behind the restroom near the pool. A trail map is available on our website. Feel free to add to our "Fairy Path" along Blissville Brook with items made from nature (or perhaps painted rocks), and please don't disturb what others have built. Our new soccer/football field, 60 yards by 30 yards is opening this weekend. We have also officially opened our 3 new beach volleyball courts (although we still have some landscaping to complete).***

We appreciate everyone's cooperation and effort in helping to keep themselves and their fellow campers safe. We will continue to utilize our walk-up window for almost all transactions. While those who are vaccinated are not required to wear a mask in the store, we will limit store capacity to 1 family at a time, if needing to see clothing items, and kids must be accompanied by an adult (but may use walk-up window on their own). We are re-opening the Rec Hall for ping pong, billiards and air hockey, but it is not intended as a hangout. A \$5 deposit for equipment, with a \$1/hr rental fee. If playing with Nerf guns or Gelblasters, please utilize the area near our event tent, during daylight hours and be sure to wear protective eyewear.

**For those who are aware of the recent CT change in legislation regarding use of cannabis, as with state campgrounds and state parks, the use remains prohibited at Sunfox.**

Our seasonals are reminded that we have done our first electric reading of 2022, and have added add any LP gas delivery to your bill. A few sites still have elec balances from 2021, so please take care of those ASAP. In addition, please do not remove the required back-flow preventers on your spigots, as it seems like some of the same sites need them replaced (\$16) each spring. With an excessive heat warning for the weekend, please do not overload your RV's electric system. The laundry will be closed on Saturday.
