Opening Weekend Activity Schedule April 5-7, 2024

Welcome Back!

All the pinecones you can eat, keep or craft with (they make wonderful firestarters or peanut butter bird feeders or hats)

Office, Store and Laundry Hours: Friday 9am-8pm; Saturday 9am to 7pm and Sunday 9am to 5pm

New Snack Bar Hours: Expected to open in early May

Jumping Pillow open 9am until dark (weather permitting)

Propane \$18 for 20 lbs or \$24 for 30 lbs Firewood \$4.75 or 5 bundles for \$20 Ice is \$1.75/bag

Order a golf cart of split oak/pine for \$50 (approx 1/6 of a cord) or a 1/2 cord for \$100, delivery within 24 hrs

Pump-out service available for \$20 on Wed & Sun starting 4/10

The Slush Machine is Open! Visit our store, and check out the Sunfox t-shirts, sweatshirts and hats

FRIDAY

6PM	Dodgeball	All Ages	Field
-----	-----------	----------	-------

SATURDAY

10AM	Kickball	Kids	Field
11AM	Family Corn Hole—Bring own partner <i>1 water/soda/juice per team—winners take all</i>	All Ages	Poolside
1PM	Cup Stacking Contest	All Ages	Rec Hall
2PM	Storytime	Kids	Flag Pole
3PM	Sack Races & 3-Legged Races	All Ages	Field
4PM	Dodgeball	All Ages	Field
5PM	Wagon Ride	All Ages	Flag Pole
8PM	BINGO!! \$1 per card	All Ages	Rec Hall/Zoom

Plenty of room in the Rec Hall for opening weekend, as we expect to be under the tent soon, but if using Zoom, players can play using Zoom on a device at own site, perhaps by a campfire. Zoom meeting ID is shown above. Brown Cards are \$1 each, while Green cards are \$5 and all cards must be rented from the store, before 7pm, with your Zoom meeting password issued when buying cards...and cards returned to the store window on Sunday after 9am. All Zoom winnings can be claimed on Sunday at the store

SUNDAY

10AM	Wiffleball	Kids	Field
11AM	Corn Hole—Random draw for partners <i>1 soda/water/juice per entrant —winners take all</i>	All Ages	Poolside
12:15PM	Dodgeball	All Ages	Field
1PM	Wagon Ride	All Ages	Flag Pole
4PM	Extended Check Out	All	Sites

Please note that the store will be closing early on Sunday (5pm). While some schools are off this upcoming week, others are next week (or even the week after), so there are not any scheduled activities mid-week until school is out in June.

We expect the event tent to be ready for the weekend of April 19, perhaps sooner, while the pool and adult hot tub are scheduled to open Mother's Day Weekend.

****Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (smaller dumpster on the left), and no "bulky waste" please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

WiFi: Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous "Hot Spot" antennas located throughout the campground, but reception may vary based on your computer's wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not able to provide for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications.

A reminder that our rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior.

Parents please note--You are responsible for the behavior of your children. Please make your children aware of our rules (such as helmets for bike or hoverboard/Segway riders under age 16, no riding after dark or on bball court, no cutting through campsites) and curfews, and help us enforce them. Respect speed limit in Park and in the neighborhood. All our campers appreciate your cooperation.

Our 48-channel satellite TV system was updated to digital HD, so you will need to run a channel scan on your TV. If your TV is old (and analog only), you will need a digital converter. See our website for a channel list, or pick one up in the office, and be sure to select "cable" input and perform a channel scan (some new smart TVs require even smarter operators—make sure your antenna booster or amplifier is "off").

Although a fishing license is needed if venturing out of the campground, you don't need one for our stocked pond...catch & release please! Over 100 new trout will be stocked this year, with bass, bullheads (catfish) & more. Anticipated 2024 stock date is April 17.

The Nowakowski Family is pleased to welcome you to Sunfox Campground. We invite you to join us on Facebook for updates and fun photos, and hope you return soon.

Be sure to check out our Disc Golf Course and RC Racetrack and Basketball/Pickleball Court! Our hiking trails and paths lead to Disc Golf (we have some Innova Discs in our store for \$10), while RC access is across the bridge behind the restroom near the pool. A trail map is available on our website. Feel free to add to our "Fairy Path" along Blissville Brook with items made from nature (or perhaps painted rocks), and please don't disturb what others have built.

Our seasonals are reminded that we have done a final electric meter reading for last year (which is also your first read for 2024), so check with the office about any final 2023 electric bill, as well as current balances when you visit the walk-up window for your annual wifi ticket. If raking and piling leaves, please try to separate sticks from leaves, and don't rake or blow them onto another site. This weekend is "clean-up weekend", but we were able to get a good jump on leaves last fall (except pinecones, which make nice firestarters). Please be reminded that there may still be a few drippy faucets that we hope to fix next week. In addition, please do not remove the required back-flow preventers on your spigots, as it seems like some of the same sites need them replaced (\$16) each spring. Also, if anyone is interested in getting a 50 gallon LP gas tank, please let us know, as we will be placing our order soon.

Upcoming Special Event Weekends include Hypnotist Steve Wronker on May 4, our 80's Prom with The Outriggers on May 18, Reunion Weekend Celebrating our 10th Sunfox Anniversary on June 8.

Have a great stay---and allow everyone else the same!
