| 2PM | Wagon Ride | All Ages | Flag Pole |
| 4PM | Extended Check Out (rentals by 1pm please) | All | Sites |

A reminder that our rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior.

Parents please note—You are responsible for the behavior of your children. Please make your children aware of our rules (such as helmets for bike or hoverboard/Segway riders under age 16, no riding after dark or on bball court, no cutting through campsites) and quiet hour and curfews (11pm), and help us enforce them. Respect speed limit in Park and in the neighborhood. All our campers appreciate your cooperation. **Please be advised that security cameras are in use throughout the campground. For those who are aware of the recent CT change in legislation regarding use of cannabis, as with state campgrounds and state parks, the use remains prohibited at Sunfox. “Legal” does not mean permitted everywhere, and while adults ingesting a gummy don’t negatively impact the neighboring sites, the smoking does.**

Our 48-channel satellite TV system was recently updated to digital HD, so you will need to run a channel scan on your TV. If your TV is old (and analog only), you will need a digital converter. See our website for a channel list, or pick one up in the office, and be sure to select “cable” input and perform a channel scan (some new smart TVs require even smarter operators—make sure your antenna booster or amplifier is “off”).

Although a fishing license is needed if venturing out of the campground, you don’t need one for our stocked pond...catch & release please! Over 100 new trout were stocked this year, with bass, bullheads (catfish) & more.

****Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far left), and no “bulky waste” please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

The Nowakowski Family is pleased to welcome you to Sunfox Campground. We invite you to join us on Facebook for updates and fun photos, and hope you return soon.

WiFi: Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office, or purchasing on-line via Paypal at the “Sunfox wifi” login page. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous “Hot Spot” antennas located throughout the campground, but reception may vary based on your computer’s wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not intended for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications, and may be slowed during busy times if everyone is “streaming”.

Be sure to check out our Disc Golf Course, volleyball courts, new soccer/football field and RC Racetrack! Our hiking trails and paths lead to Disc Golf (we have some Innova Discs in our store for \$10), while RC access is across the bridge behind the restroom near the pool. . A trail map is available on our website. Feel free to add to our “Fairy Path” along Blissville Brook with items made from nature (or perhaps painted rocks), and please don’t disturb what others have built.

Special Sunfox Halloween T-Shirts made to order...just \$10! (a little more for 2XL and up). You can text your order to 203-725-6165, and Melissa takes Venmo through the link shown here (full flyer on bulletin board)

The leaves and acorns have begun falling much earlier this year...sorry!

Have a great stay!

2025 Sunfox Halloween Costume Categories & Prizes

All costume judging will occur during parade at 4:45PM Sat, with winners announced at 8:45PM at Dance.

Kids Costume Contest—7 years old and under

Best Overall Costume: 1st Place—\$20 at store 2nd Place—\$10 at store 3rd Place--\$5 at store

1st Place Carved Division: \$10 store certificate 2nd Place Carved Division: \$5 store certificate

1st Place Decorated Division: \$10 store certificate 2nd Place Decorated Division: \$5 store certificate

Gift certificates are redeemable at the store, and entire amount must be used up—no change shall be given.

In addition to all prizes listed above, honorable mention “Slush Puppy” awards will be presented as well.

A heartfelt thanks to all those who decorate their sites, making everyone’s stay even more memorable, and especially to the crew responsible for the construction & decoration of the Haunted Wagon Ride Trail (Joe, Rick, Gary, Bob, Mike, Keith, Jesse, Norm, Emily and many others...and we are all wishing a speedy recovery to a couple of our volunteers who have had serious health issues recently). Thank you.

Our weekend camping rates cover a family of 2 adults and up to 4 kids. Anyone beyond that, or those not listed on your registration form, are reminded that the visitor fee of \$8/adult and \$5/child applies. With all sites full, please note that visitor and extra vehicle parking is just across the bridge past the jumping pillow, as roadways must remain clear, either along the stream between inflatables or near the volleyball courts.

Have a great stay!
