

Activity Schedule September 12, 13, & 14, 2025

Country Music Weekend with “Branded”

Office/Store, Laundry Hours: 9am to 8pm Fri, 9am-7pm Sat & 9am-4pm Sun

Pool: 11am-7pm Fri/Sat & 11am-4pm Sun (sorry, but our hot tub pump motor died this week and will re-open in May)

Avalunch Snack Bar: Fri 5-8pm; Sat 9am-11am & 5-7pm & Sun 9am-11am

Jumping Pillow open 9am until dark (weather permitting) Pedal Cart rentals available (\$5 for 2hrs)

Corcl Boats, Kayak, Canoe & Stand-up Paddleboard available for \$5/hr/device or \$5/person/day

Propane \$18 for 20 lbs or \$24 for 30 lbs Firewood \$4.75 or 5 bundles for \$20 (ice is \$2/bag) Pump-outs \$20 (Sunday)

A reminder that our rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior.

FRIDAY

6PM	Dodgeball	All Ages	Field
8PM	BINGO! \$1 per card	All Ages	Event Tent/Zoom

Plenty of room under the tent, but if using Zoom, players can either play in person or Zoom on a device at own site, perhaps by a campfire. Brown Cards are \$1 each, while Green cards are \$5 and if playing Zoom, all cards must be rented from the store, before 7pm, with your Zoom meeting ID & password issued when buying cards...and cards returned to the store window on Saturday after 9am. All Zoom winnings can be claimed on Saturday at the store

A reminder that our rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior.

Parents please note—You are responsible for the behavior of your children. Please make your children aware of our rules (such as helmets for bike or hoverboard/Segway riders under age 16, no riding after dark or on bball court, no cutting through campsites) and quiet hour and curfews (11pm), and help us enforce them. Respect speed limit in Park and in the neighborhood. All our campers appreciate your cooperation. **Please be advised that security cameras are in use throughout the campground. For**

those who are aware of the recent CT change in legislation regarding use of cannabis, as with state campgrounds and state parks, the use remains prohibited at Sunfox. “Legal” does not mean permitted everywhere, and while adults ingesting a gummy don’t negatively impact the neighboring sites, the smoking does.

Our 48-channel satellite TV system was recently updated to digital HD, so you will need to run a channel scan on your TV. If your TV is old (and analog only), you will need a digital converter. See our website for a channel list, or pick one up in the office, and be sure to select “cable” input and perform a channel scan (some new smart TVs require even smarter operators—make sure your antenna booster or amplifier is “off”).

Although a fishing license is needed if venturing out of the campground, you don’t need one for our stocked pond...catch & release please! Over 100 new trout were stocked this year, with bass, bullheads (catfish) & more.

****Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far left), and no “bulky waste” please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

The Nowakowski Family is pleased to welcome you to Sunfox Campground. We invite you to join us on Facebook for updates and fun photos, and hope you return soon.

WiFi: Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office, or purchasing on-line via Paypal at the “Sunfox wifi” login page. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous “Hot Spot” antennas located throughout the campground, but reception may vary based on your computer’s wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not intended for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications, and may be slowed during busy times if everyone is “streaming”.

Be sure to check out our Disc Golf Course, volleyball courts, new soccer/football field and RC Racetrack! Our hiking trails and paths lead to Disc Golf (we have some Innova Discs in our store for \$10), while RC access is across the bridge behind the restroom near the pool. . A trail map is available on our website. Feel free to add to our “Fairy Path” along Blissville Brook with items made from nature (or perhaps painted rocks), and please don’t disturb what others have built.

Please be aware of the posted pool rules, such as: ONLY USCG APPROVED FLOTATION DEVICES (No inflatables), NO FOOD OR GLASS, NO SMOKING, NO RUNNING and NO ONE UNDER 18 in HOT TUB AREA.

On the last Sunday of pool season, we usually allow the kids in the hot tub (slightly cooler) in the afternoon. Unfortunately, the hot tub pump motor died on Monday. Bad timing on the failure, and we feel awful for the excited kids. Things don't often break at a good time, and usually when you least expect it. Luckily, this is an item that can be ordered and replaced. There are other things here at the campground that are over 20 years old, and since they don't make replacements anywhere as good as the original, you just need to keep trying your best to fix it. We have been given a slight chance that a repair to the motor is possible, and if so, we will provide an update by noon on Friday.

We are also hosting our annual fall golf outing at River Ridge on Sunday, Sept 21, starting around 2:30pm. Still room for a few foursomes or if any individuals are looking to play, we will try to pair you up with others. Cost is \$53 for 9 holes, a cart and prize pool money.

August electric bills are ready at the office, and we are starting to contact some of those campers on our seasonal wait list.

Although our 3 Halloween Weekends are full, we do have openings for most other fall weekends, including Columbus Day due to a couple of late cancels.

Have a great stay—and allow everyone else the same!
