## Closing Weekend Activity Schedule October 31, 32 & 33, 2025

Office, Store and Laundry Hours: 9am to 5pm Friday; 9am to 4pm Sat and 9am to 2pm Sun

Avalunch Snack Bar Hours: closed for season...join us for Sat Turkey Dinner at 4:30pm at the Event Tent

Jumping Pillow open 9am until dark

Propane \$18 for 20 lbs or \$24 for 30 lbs      Firewood \$4.75 or 5 bundles for \$20      Ice is \$2/bag (free this weekend)

**The Slush Machine is Open! Visit our store, and check out the Sunfox t-shirts, sweatshirts and hats**

### FRIDAY—Happy Halloween!

*Nothing happening...but please be reminded the store will close at 5pm*

### SATURDAY

*Not much happening, as packing and winterizing is taking place. Please note that store will close at 4pm.*

10:45AM      Corn Hole Fall Championship (any with “fall” points eligible for seeding)      Near Pool  
players without any “points” will be paired with other non-scorers

1PM      Kids vs Adults Kickball/Wiffle Ball      All Ages      Field

2:30PM      Teen/Adult Volleyball      13 & over      Vball Crts

4:30PM      Thanksgiving Dinner/Keith’s Annual Video      All Ages      Event Tent

*We will provide the turkey and mashed potatoes, and ask our participating campers to bring a family-sized side dish or dessert (this dinner is offered to our participating seasonals at no cost, as a thank you for all their help, while weekend campers may join us for just \$5/adult and \$3/child, also bringing a family sized portion of something to share...or \$50/adult if empty-handed & hungry). Bring your own beverages please!*

7PM      BINGO!! \$1 per card      All Ages      Event Tent

### SUNDAY

*Not much happening, as most of our campers will be packing and winterizing.*

2AM      Daylight Saving Time Ends—clocks back 1 hour      All Clocks      Most States

10:45AM      Corn Hole—Bring a partner (1 beverage/team)      All Ages      Near Pool

4PM      Extended Check Out      All      Sites

**\*\*Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far right), and no “bulky waste” please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

**WiFi:** Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous “Hot Spot” antennas located throughout the campground, but reception may vary based on your computer’s wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not able to provide for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications.

**This is our final weekend of camping, with the water being turned off shortly. We will do a final electric reading for seasonals on Nov 3, but you are encouraged to stop by the office and check on any prior balances. The final chance for pump-out service will be Wednesday Nov 5. We hope to start working on the leaves soon, so if piling, please keep sticks and leaves separate. Thank you for all your help this season. Have a great stay!**
