5PM	Wagon Ride	All Ages	Flag Pole
7PM	BINGO!! \$1 per card	All Ages	Rec Hall

*Plenty of room in the Rec Hall for opening weekend Bingo, as we expect to be under the tent in May. Brown Cards are \$1 each, while Green cards are \$5.*

#### SUNDAY

10AM	Wiffleball	Kids	Field
11AM	Corn Hole—Random draw for partners <i>1 soda/water/juice per entrant —winners take all</i>	All Ages	Poolside
12:15PM	Dodgeball	All Ages	Field
1PM	Wagon Ride	All Ages	Flag Pole
1:30PM	Putting Up the Event Tent	8 Teens/Adults	Event Tent
4PM	Extended Check Out	All	Sites

We expect the event tent to be ready for May 1 (with the plan to raise the tent on Sunday at 1:30pm), while the pool and adult hot tub are scheduled to open Mother's Day Weekend. The Avalunch Snack Bar is also opening the weekend of May 1-3, as will the new restroom/shower trailer located near the Event Tent.

*Our short-term camping rates include 2 adults and up to 4 children. Any visitors who are not part of your registered party must pay the day visitor fee of \$8/adult and \$5/child or senior citizen (no charge age 3 and under), or the overnight fee of \$12/adult or \$8/child/senior. As long as within reason, we do not charge our visitor fee during the month of April.*

**Parents please note**—You are responsible for the behavior of your children. Please make your children aware of our rules (such as helmets for bike or hoverboard/Segway riders under age 16, no riding after dark or on bball court, no cutting through campsites) and quiet hour and curfews (11pm), and help us enforce them. Respect speed limit in Park and in the neighborhood. All our campers appreciate your cooperation. **Please be advised that security cameras are in use throughout the campground. For**

those who are aware of the recent CT change in legislation regarding use of cannabis, as with state campgrounds and state parks, the use remains prohibited at Sunfox. "Legal" does not mean permitted everywhere, and while adults ingesting a gummy don't negatively impact the neighboring sites, the smoking does.

Our 48-channel satellite TV system was recently updated to digital HD, so you will need to run a channel scan on your TV. If your TV is old (and analog only), you will need a digital converter. See our website for a channel list, or pick one up in the office, and be sure to select "cable" input and perform a channel scan (some new smart TVs require even smarter operators—make sure your antenna booster or amplifier is "off").

*Although a fishing license is needed if venturing out of the campground, you don't need one for our stocked pond...catch & release please! Over 100 new trout were stocked this year, with bass, bullheads (catfish) & more.*

**\*\*Trash--Please bring your trash and recyclables to receptacles located near the dump station at entrance/exit. Only recyclables in the single stream recyclable dumpster (far left), and no "bulky waste" please. A reminder that while there are 4 restroom buildings, coin-operated showers are located in the restrooms near site 43 and near site 74.**

**The Nowakowski Family is pleased to welcome you to Sunfox Campground. We invite you to join us on Facebook for updates and fun photos, and hope you return soon.**

**WiFi:** Each site receives 1 free ticket for one device for the duration of your stay, while one free hour for any other device is provided each day. Additional tickets for any extra devices are available for just \$1 per day, \$5 per week or \$10 per month by purchasing access code tickets in the office, or purchasing on-line via Paypal at the "Sunfox wifi" login page. Please note that the materials used in construction of some RVs (steel, aluminum, fiberglass) may inhibit signal strength, and best reception will be achieved at your picnic table outside your RV. There are numerous "Hot Spot" antennas located throughout the campground, but reception may vary based on your computer's wi-fi antenna, the weather or other factors that impact wireless signals. Our wi-fi network is intended to allow campers to check their email and browse the web. It is not intended for downloading movies or large files, nor should it be considered an alternative to a secure, wired connection that may be needed for some business applications, and may be slowed during busy times if everyone is "streaming".

*Be sure to check out our Disc Golf Course, volleyball courts, new soccer/football field and RC Racetrack! Our hiking trails and paths lead to Disc Golf (we have some Innova Discs in our store for \$10), while RC access is across the bridge behind the restroom near the pool. . A trail map is available on our website. Feel free to add to our "Fairy Path" along Blissville Brook with items made from nature (or perhaps painted rocks), and please don't disturb what others have built.*

**Sunfox will be hosting our annual spring golf outing at River Ridge on Sunday, May 17, starting around 2:30pm. If looking to join us, there is room for a foursome or an individual. Food back at Sunfox after golf.**

**If any seasonals are still looking to sign up for a 55 gallon LP gas tank from Hocon, please let us know, and we will add you to the list. The first round of installs are scheduled for April 24. You are also welcome to pick up your seasonal wifi ticket in the office (additional tickets for other devices are \$30 for the year).**

**We will host our annual Duck Race Derby for charity on Saturday, May 2. While we never want rain on the weekend, we will hope for a little better brook flow from some much needed mid-week precipitation.**

**We do have openings for most spring weekends, as well as summer vacation stays. Our new sites with 50/30AMP electric and sewer are scheduled to open for Mother's Day Weekend for non-seasonal stays, and depending on growing conditions, the grass may or may not be fully established until later in the spring. Therefore, we are requesting no tents or floored screen rooms on the growing grass on our new sites.**

***Have a great stay—and allow everyone else the same!***
